The diagram illustrates the relationship between musical notes, chords, and architectural spaces. It features a central circle with twelve segments, each representing a different musical key and its corresponding architectural style. The segments are arranged in a clockwise cycle, starting from the top.

- Dur (Major):** Yellow circle with 'C' and one flat. Associated with a bright, open-plan living room.
- Moll (Minor):** Green circle with 'G' and two sharps. Associated with a modern, minimalist interior.
- A:** Blue circle with three sharps. Associated with a contemporary building facade.
- E:** Light green circle with four sharps. Associated with a modern interior space.
- Ges/Fis:** Orange circle with six flats and one sharp. Associated with a modern interior space.
- Des:** Yellow circle with five flats and seven sharps. Associated with a modern interior space.
- As:** Green circle with four flats. Associated with a modern interior space.
- Es:** Purple circle with three flats. Associated with a modern interior space.
- B:** Grey circle with two flats. Associated with a modern interior space.
- F:** Orange circle with one flat. Associated with a modern interior space.
- C:** Yellow circle with no sharps or flats. Associated with a modern interior space.

Each segment also includes a small photograph of an architectural space, such as a living room, a hallway, or a building facade, which visually represents the aesthetic associated with that musical key.
